

## Chatham Township Historical Society

Hi Everyone,

Membership time again. Last year, by popular demand, it became possible to renew or join on line via Paypal through our website, or print out a form (or use the one enclosed) and pay by check and mail to 184 Southern Blvd, Chatham, NJ 07928, or better yet- stop by the Museum on the first Sunday of the month for Open Day between 2:00 and 4:00 and deliver it in person. If you haven't visited lately, you'll see the newly restored exterior of the building and the latest exhibits in the museum! Thanks so much to those of you have already renewed or joined for 2025!!

2024 was a busy year:

- The exterior of the Red Brick Schoolhouse Museum was restored thanks to generous grants from the Morris County Historic Preservation Trust Fund and the New Jersey Historic Trust.
- On May 5<sup>th</sup> we were part of Morris County Pathways of History. This year Pathways of History will be Saturday May 3<sup>rd</sup> and Sunday October 5<sup>th</sup>.
- Displays were installed at the Library, the CTHS gallery in the Township Municipal Building, and up at Hickory Tree opposite Dunkin'
- SBS second graders came for their annual RBS field trip!
- Wonderful donations were added to the Museum's collection.
- Thanks to the Town & Country Garden Club for taking care of the Museum landscaping, and for proving the beautiful wreaths that grace the Red Brick Schoolhouse every December that are put up (and taken down) by our extraordinary DPW that takes such good care of us!
- Thanks to all of you, our members, for your support in so many ways!

Hope to see you all at the Museum sometime soon and at the Annual Dinner Meeting!
